

GLOBAL OCEAN

LCL EXPRESS PLATINUM

SERVICE FROM NORTH ASIA TO THE UNITED STATES

LCL EXPRESS PLATINUM service offers a cost-effective alternative for shipments that are urgent but do not warrant full air freight costs. The service helps to manage ever-increasing transport costs while maintaining supply chain flow and efficiencies.

	A	B	C	D
Traditional LCL	32 Days	33 Days	37 Days	40 Days
LCX Platinum - Shanghai	19 Days	20 Days	21 Days	22 Days
LCX Platinum - Ningbo	19 Days	20 Days	21 Days	22 Days
LCX Platinum - Shenzhen	19 Days	24 Days	26 Days	28 Days

**Transit times are subject to change.*

LCL EXPRESS PLATINUM
NORTH ASIA TO THE UNITED STATES

COST SAVINGS

Significantly reduce your overall transportation costs by up to 50% over traditional airfreight service.

SECURITY

LCL Express Platinum service moves within our global network and is managed directly by our employees which reduces the number of touch points to your shipments.

VISIBILITY

Our service moves on a single transportation document with a single rate per kilo from the port of origin up to consignee's door, and you can track your shipments on our EXP.O NOW platform or by signing up for our Cargo Signal services.

TRADITIONAL LCL VS. LCL EXPRESS PLATINUM

TRADITIONAL LCL
