

CUSTOMS BROKERAGE SERVICES

KEY STRENGTHS

- Customs authorizations include:
 - Multiple Temporary Storage facility authorised locations (ETSF)
 - Multiple NCTS Authorised Consignor & Consignee locations (Transit)
 - Customs Public Warehouse authorised locations
 - Customs deferment account approved
- In House customs declaration systems for direct interface with Irish Revenue – key event milestones updated automatically and entry details available in exp.o
- Robust Service Provider Management program for managing service providers
- Clearance links to all major port and airports
- Real time declaration and entry detail visibility
- Exception Reporting to support Supplier Management Programs
- Centralized escalation to ensure consistency across ports

Expeditors Ireland offers a wide variety of customs brokerage & duty management solutions that support our customers' supply chain requirements through efficient customs clearance and effective regulatory compliance.

Our service offerings combined with our global standardized processes and procedures, paired with our local knowledge and expertise, result in accurate, timely and compliant submissions to Customs. To support our customers' post clearance monitoring and compliance programs we provide line level declaration data and analytics.
